

## COMMERCIAL GENERAL PROVISIONS

---

This contract incorporates the following articles by reference, with the same force and effect as if they were printed in full text. The revision of each article will be the one in effect on the date of submission of your proposal. To purchase a copy of the Department of Energy Acquisition Regulations (DEAR-CFR Title 48, Chapter 9), contact the U.S. Government Printing Office, Superintendent of Documents, Mail Stop: SSOP, Washington, D.C. 20402-9328.

For purposes of this order, where the article says "Government", change it to read "Buyer"; where the article says "Contracting Officer", change it to read "Contract Administrator"; and when the article says "Contractor" or "Subcontractor", change it to read "Seller".

Based on the stated provisions, Seller is to determine what articles must be inserted in its subcontracts and purchase orders to implement its obligations to BMPC or BPMI (as identified in the order) and the Government, and must implement them in its lower-tier subcontracts and purchase orders.

---

### **INSURANCE (applies to work on Buyer's premises)**

At all times during performance, the Seller shall maintain a current Certificate of Insurance evidencing insurance coverage not less than required by this article and providing for thirty (30) days written notice to the Contract Administrator by the insurance company prior to cancellation or material change in policy coverage. The period of coverage on the insurance certificate must coincide with the period of performance (term) of the Purchase Order. With respect to Work on Buyer or Government premises, the following sentence shall be incorporated on Seller's Certificate of Insurance:

"(Name of Buyer) is an additional insured with waiver of subrogation on any insurance policy."

The Seller shall also require all first-tier subcontractors who will perform Work on Buyer or Government premises to procure and maintain the insurance specified below during the entire period of their performance and to furnish proof at Buyer's request.

Required Coverage:

- A. Workers' Compensation Insurance - This coverage shall be as required by the State in which the Work is to be performed.
- B. Employer Liability - Coverage of \$1,000,000 combined single limit.
- C. General Liability Insurance - Coverage of \$1,000,000 combined single limit.
- D. Automobile Public Liability and Property Damage - Coverage of \$1,000,000 combined single limit..
- E. When applicable, Asbestos Liability Insurance - Coverage of \$1,000,000 combined single limit.
- F. An annual aggregate of \$2,000,000.
