

GENERAL PROVISIONS FOR CPFF ORDERS (DOE)

This contract incorporates the following articles by reference, with the same force and effect as if they were printed in full text. The revision of each article will be the one in effect on the date of submission of your proposal. To purchase a copy of the Department of Energy Acquisition Regulations (DEAR-CFR Title 48, Chapter 9), contact the U.S. Government Printing Office, Superintendent of Documents, Mail Stop: SSOP, Washington, D.C. 20402-9328.

For purposes of this order, where the article says "Government", change it to read "Buyer"; where the article says "Contracting Officer", change it to read "Contract Administrator"; and when the article says "Contractor" or "Subcontractor", change it to read "Seller".

Based on the stated provisions, Seller is to determine what articles must be inserted in its subcontracts and purchase orders to implement its obligations to BMPC or BPMI (as stated in the order) and the Government, and must implement them in its lower-tier subcontracts and purchase orders

In addition, the following articles are included in their entirety:

PUBLIC RELEASE OF INFORMATION

- (a) Information, data, photographs, sketches, advertising, displays, promotional brochures, or other materials related to work under this order, which Seller desires to publish, display, or release internally, to other contractors, to government agencies, or to the public, shall be submitted to Buyer for approval at least eight weeks prior to the desired printing or release date. This includes descriptive or promotional material which links or relates, directly or indirectly, Seller's product line, manufacturing facilities, or manufacturing capabilities to performance of naval nuclear propulsion work. As part of the approval request, Seller shall identify the specific media to be used as well as other pertinent details of the proposed release. All releases, regardless of tier of supplier, must have the prior approval of Buyer.

- (b) Should any information described in (a) above be requested, subpoenaed, or otherwise sought by a court or other judicial or administrative authority, this should be promptly brought to the attention of Buyer to permit appropriate measures to be taken to protect the information. Under no circumstances, should this information be released to such authority without prior notification and agreement of Buyer.
- (c) Seller agrees that this requirement of prior Buyer approval of any release shall survive the purchase order and that Seller shall not for a period of twenty years subsequent to the issuance of the purchase order either directly or indirectly issue any such release without the requisite approval of Buyer, its successor or assignee.
- (d) Seller shall include all provisions of this article including this sentence in all subcontracts under this order.

ASSIGNMENT AND SET OFF

Performance of this order shall not be assigned or transferred by the Seller, except as expressly authorized in writing by Buyer. This order may be assigned by Buyer to the Government or any designee of the Government, provided that written notice thereof is given to Seller. Buyer shall be entitled at all times to set off against any amount payable at any time by Buyer under this order, any amount owing at any time from Seller to Buyer whether arising under this order or other contracts or orders with Seller.

CLASSIFIED INVENTIONS

(This article applies to orders which cover or are likely to cover classified subject matter.)

- (a) The Seller shall not file or cause to be filed on any invention discovery conceived or first actually reduced to practice in the course of or under this order in any country other than the United States, an application or registration for a patent without obtaining written approval of Buyer.
- (b) When filing a patent application in the United States on any invention or discovery conceived of or first actually reduced to practice in the course of or under this order, the subject matter of which is classified for reasons of security, the Seller shall observe all applicable security regulations covering the transmission of classified subject matter. When transmitting the patent application to the United States Patent and Trademark Office, the Seller shall by separate letter identify by agency and number, the order or orders which require security classification markings to be placed on the application.

CONTRACT ACCEPTANCE

By acceptance of this order, Seller agrees that the scope of the work required is understood by Seller; that there are no informal commitments by Buyer that in any way affect the work under this order; that there are no open or unresolved issues related to this order except as explicitly stated herein; and that Seller therefore understands and agrees that this order states the complete agreement of the parties.

COST ACCOUNTING STANDARDS (CAS)

CAS requirements do not apply if the order does not exceed \$650,000 and the offeror claims an exemption per the Proposal Representation and Certification, or if certified cost or pricing data was not provided.

VIRUS CHECK WARRANTY

Software and hardware provided by the Seller under this order shall not contain computer viruses or other malicious software.

In performing this order, the Seller agrees to take precautions to avoid conveying computer viruses or other malicious software to Buyer. Specifically, all computer files, disks, memories, or other media provided by the Seller to Buyer (other than third party supplied software in its original, unopened packing materials) shall be checked by the Seller prior to delivery to Buyer to detect and remove any computer virus or other known malicious software. The virus check that is performed by the Seller shall include checks with current, up-to-date anti-virus software and any virus

problems that are found during the check (or later found by Buyer) shall be fixed by the Seller. A statement verifying that the check has been made shall be included by the Seller with the deliverable when it is delivered to Buyer.

INSURANCE (applies to work on Buyer's premises)

At all times during performance, the Seller shall maintain a current Certificate of Insurance evidencing insurance coverage not less than required by this article and providing for thirty (30) days written notice to the Contract Administrator by the insurance company prior to cancellation or material change in policy coverage. The period of coverage on the insurance certificate must coincide with the period of performance (term) of the Purchase Order. With respect to Work on Buyer or Government premises, the following sentence shall be incorporated on Seller's Certificate of Insurance:

"(Name of Buyer) is an additional insured with waiver of subrogation on any insurance policy."

The Seller shall also require all first-tier subcontractors who will perform Work on Buyer or Government premises to procure and maintain the insurance specified below during the entire period of their performance and to furnish proof at Buyer's request.

Required Coverage:

- A. Workers' Compensation Insurance - This coverage shall be as required by the State in which the Work is to be performed.
- B. Employer Liability - Coverage of \$1,000,000 combined single limit.
- C. General Liability Insurance - Coverage of \$1,000,000 combined single limit.
- D. Automobile Public Liability and Property Damage - Coverage of \$1,000,000 combined single limit..
- E. When applicable, Asbestos Liability Insurance - Coverage of \$1,000,000 combined single limit.
- F. An annual aggregate of \$2,000,000.

EXPORT CONTROL

- A. Seller agrees to comply with all applicable U.S. export control laws and regulations, specifically the requirements of the Arms Export Control Act, 22 U.S.C. 2751-2794, including the International Traffic in Arms Regulation (ITAR), 22 C.F. R. 120 et seq.; and the Export Administration Act, 50 U.S.C. app. 2401-2420, including the Export Administration Regulations 15 C.F.R, including the requirement for obtaining any export license, if applicable. Without limiting the foregoing, Seller agrees that it will not transfer any export controlled item, data, or services, to include transfer to foreign persons employed by, or associated with, or under contract to Seller or Seller's lower-tier suppliers, without the authority of an export license or applicable license exemption.
- B. Seller agrees to notify the Buyer if any deliverable under this Purchase Order is restricted by export control laws or regulations.
- C. Seller shall immediately notify the Buyer if Seller is or becomes listed in any Denied Parties List, or if Seller's export privileges are otherwise denied, suspended, or revoked in whole or in part by any U.S. Government entity or agency.
- D. Seller shall be responsible for all losses, costs, claims, causes of action, damages, liabilities and expenses, including attorney's fees, all expense of litigation and/or settlement, and court costs arising from any act or omission of the Seller, its officers, employees, agents, suppliers, or subcontractors at any tier, in the performance of any of its obligations under this provision.

The following articles apply only if specifically called out in the Purchase Order document:

FRAUD OR FALSIFICATION

- a. This purchase order and activities hereunder are within the jurisdiction of the Department of Energy and/or the Navy. Any knowing and willful act to falsify, conceal or alter a material fact, or any false, fraudulent or fictitious statement or representation in connection with the performance of work under this purchase order may be punishable in accordance with applicable Federal Statutes.
- b. Seller agrees that all employees engaged in the performance of this purchase order will be, if they have not been previously, informed in writing prior to commencing performance of work under this purchase order that there is a risk of Federal criminal penalties associated with any falsification, concealment or misrepresentation in connection with work performed under this purchase order. Seller agrees that a signed statement shall be, if it has not been previously, obtained from said employees prior to their commencing

performance of work under this purchase order that they have been so informed. Such statements shall be retained by the Seller for at least three years after final payment on this purchase order. An acceptable form for such a statement is substantially as follows:

"This company/division/department/branch performs work under contracts which are within the jurisdiction of departments of the United States Government. Some of the work performed under these contracts affects the national security of the United States and the requirements of these contracts are designed to ensure that essential attributes of the work are carefully checked or inspected and that records accurately reflect the results of all work. Any falsification, concealment or alteration of any material fact, or any false, fraudulent or fictitious statement or representation in connection with the work under any contract within the jurisdiction of the Government is not only prohibited by company policy, but may also be punishable under Federal Law. Please acknowledge by your signature that you have read and understand the above."

- c. Seller must also agree to include the following statement preprinted on each manufacturing, inspection or test record used in conjunction with the subject subcontract:

Note: The recording of false, fictitious or fraudulent statements or entries on this document may be punishable as a felony under Federal Statute.

- d. Seller shall include all provisions of this Article including this sentence in all lower-tier contracts under this order. Any inability or unwillingness of a lower-tier supplier to comply with this provision should be documented in writing and submitted to the Prime Contractor.

CONTROL OF VISITORS

Except with the written consent of the Buyer, Seller shall not permit any Visitors to its plants, offices, or facilities to view or examine documents, components, assemblies, or major subassemblies provided for or delivered under this order, or to obtain information or data concerning such documents, components, assemblies, or major subassemblies.

"Visitor" as used herein means any person who visits Seller's plant, office or facility and does not represent either the Seller, the Buyer, or the Government in the performance of this Purchase Order. This includes Foreign Nationals, whose visits may require additional controls above and beyond those necessary for visits by U.S. Citizens.

Seller must establish and implement procedures that prevent the release of Classified and Unclassified Naval Nuclear Propulsion Information (NNPI) to Visitors. Seller must also notify the Buyer in advance of any visit to Seller's plant, office, or facility, to view or examine documents, components, assemblies, or major subassemblies provided for or delivered under this order and must ensure similar controls are in effect at all lower tier suppliers.
