

Purchase Order Number: \_\_\_\_\_

This is to certify to the best of my knowledge and belief that, unless otherwise indicated, the incurred costs submitted in the Supplier's final invoice, statement of final cost/price submission, or other similar type submittal, as identified below:

1. Are based upon the accounting records of the Supplier;
2. Have been kept in accordance with generally accepted accounting principles and practices followed by the Supplier;
3. Include only allowable, allocable and reasonable costs as defined by the provisions of the order and Federal Acquisition Regulation (FAR) subpart 31.2 in effect on the date of the order;
4. The amount of the unaudited indirect costs to be allocated to the purchase order covered by the certification is less than one million dollars, and;
5. Are accurate, complete and current as of the date of this signature, to the best of my knowledge and belief.

Company Name: \_\_\_\_\_

Signature: \_\_\_\_\_

Representative Name: \_\_\_\_\_
